

WHAT IS A CASA?

(COURT APPOINTED SPECIAL ADVOCATE)

FOR CHILDREN

CASA stands for Court Appointed Special Advocate. A CASA may be assigned to your case and their job is to look out for you and make sure you are getting everything you need to be safe and healthy. You can ask your CASA any questions you have. Your CASA is not being paid for their time with you. The judge in charge of your case wants information about you so that they can make the best decisions about what happens to you. Your CASA will gather the information and the facts for the judge. Your CASA can tell the judge anything you want them to know. Your CASA can also help you meet and talk to the judge if you would like to. Your CASA will stay on your case until you are in a safe, permanent home.

The CASA has four goals:

- Gather** information about you,
- Report** the information they gathered about you to the judge this includes anything you want them to know,
- Advocate** for your best interest, and
- Monitor** you to make sure that you are getting what you need to keep you safe and healthy.
